

20 March 1987

To Whom It May Concern:

Nelson Wax has been an employee of Harris Corporation from July 25, 1983 through March 20, 1987. During that time he worked under my direction on various systems projects. He had a wide scope of responsibility and was especially proficient in bar code installations. He worked well with people at all levels of the Division and was particularly sensitive to their needs.

I would be pleased to recommend Mr. Wax for future employment.

Very truly yours,
